Re: Compounding of T3SR

Please exempt T3SR from the restrictions applied by "Section 127 of the FDA Modernization Act of 1997 – Public Law 105-115" One of my patients needs compounded T3SR to be healthy. The only source for T3SR is an out of state compounding pharmacy and if this ruling stands my patient will be cut off from the medicine She needs.

Sincerely,

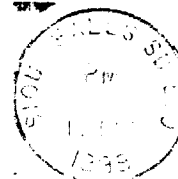

David Kohl MD
